XVIII NATIONAL WORKSHOP ON TOXICOLOGIC PATHOLOGY

Dear Fellow Pathologists,

The Indian Board of Toxicologic Pathology (IBTP) and Society of Toxicologic Pathology - India (STP-I) are glad to invite you for a XVIII National Workshop on Toxicologic Pathology at Hotel Goldfinch Express, Near CBI quarters, Bangalore – 560 032 on 7-9 September 2019.

The workshop is focused on few core areas of toxicologic pathology with the objective to provide both theoretical and practical training. The lectures/practicals will be given by highly respected and experienced pathologists from India. Lectures will cover anatomy, histology, spontaneous (background) and chemically induced pathological changes, proliferative and non-proliferative lesions of various systems.

Speakers will discuss case examples wherever possible. IBTP hopes that the knowledge gained through this workshop will be highly useful to IBTP registrants during their certification examination and for others in their day to day practices.

You are requested to register for the workshop at the earliest.
