Dear Fellow Pathologists,

The Indian Board of Toxicologic Pathology (IBTP), Society of Toxicologic Pathology of India (STPI) and Veterinary College, Bengaluru, are glad to invite you for a National Workshop on Toxicologic Pathology at Bengaluru on 11 and 12 April 2015.

The workshop is focused on few core areas of toxicologic pathology with the objective to provide both theoretical and practical training. The lectures/practicals will be given by highly respected and experienced pathologists from India. Lectures will cover anatomy, histology, spontaneous (background) and chemically induced pathological changes, proliferative and non-proliferative lesions of various systems.

Speakers will discuss case examples wherever possible. IBTP hope that the knowledge gained through this workshop will be highly useful to IBTP registrants during their certification examination and for others in their day-to-day practices.

You are requested to register for the workshop at the earliest.
